# Cannoning, Redstone, and TNT Rules

1. Shooting cannons over bases at build height is prohibited! This rule is targeted more at midair-style cannons bypassing walls to exploit buildings with roofs at build height. Bases with roofs not made at build height are exempt from this rule.
  - a. 1st Offense: 3-Day Ban
  - b. 2nd Offense: 1 Week Ban
  - c. 3rd Offense: 1 Month ban
  - d. 4th Offense: Perm Ban
  
2. Attempting to make lag machines which may include but are not limited to excess entities, massive Redstone contraptions, or lighting off massive sums of TNT is not permissible. The following offenses may vary depending on the severity of the lag caused.
  - a. 1st Offense: 1 Week Ban
  - b. 2nd Offense: 1 Month ban
  - c. 4th Offense: Perm Ban
  
3. Auto cannons are also not allowed in the overworld due to the limited cannonable base size. This means you must trigger your cannon to fire manually without it looping autonomously.
  - a. 1st Offense: 1 Day Ban
  - b. 2nd Offense: 1 Week Ban
  - c. 3rd Offense: 1 Month ban
  - d. 4th Offense: Perm Ban
